

PROGRAM MANAGEMENT & ORGANIZATIONAL PLANNING CAPABILITY STATEMENT

Worldwide Business Consulting LLC (WBC) offers an array of consulting services in program management and organizational planning. Our consultants have over 25 years of program management and organizational planning working for U.S. and foreign governments and private sector entities. Our consultants are more than cable of offering your organization with solutions that's tailored to your situation. We consult with you...for you.

Core Competencies

WBC will partner with your team to serve a strategic role within your organization and establish best practices that are cost effective and competitive. Our consultants coordinate directly with the teams working on your related projects and assist them with their overall strategy and objectives. Our consultants are experienced in aligning outcome with the organizations overall business goals and ensuring it aligns within the organizations overall strategy. Our consultants help assist you with solutions in the areas of:

- Strategy Development
- Project Management
- Organizational Planning

Strategy Development

Serve as a strategic counsel. Our consultants assist with setting the overall strategy and objectives for a project or group of projects. WBC help coordinate Integrated Processing Teams and coordinate with teams working on related projects to:

- Ensure that individual project goals align with the organizations strategy
- Assist with aligning outcome with the organizations overall business goals
- Assist with establishing budgets and allocating resources to meet established goals

Project Management

Assist with the operations management of individual projects within the program. Support the operational elements of proj-

ects with the following:

- Meeting deadlines and staying within budget
- Completing deliverables
- Aligning resources with priorities and minimizing waste
- Identifying tasks and arranging necessary training
- Establish a formal reporting structure and reports to senior executives

Organizational Planning

Assist with the development of long-range plans and with implementing and overseeing the plan. Those services can include:

- Formulating goals
- Developing strategies
- Resources allocation
